GAYLORD NELSON For County Treasurer

Being called in to all an unexpired both of these men have held the office of coroner several times, the office and through his work has come to be stamped as a careful painstaking treasurer. His accurateness is quest and have always shown good his strongest point. The bonding company, which furnished Mr. Nelsons bonds, after checking him up recently, let it be known that the treasuer's office in Graiot county was the best conducted of any that this bonding company had checked in some time. What more could be asked, concerning his fitness for this office?

BERNIE L CASE For County Clerk

For years Bernie L. Case was one of Gratiot's best known supervisors. came a county clerk, and in this office in small lots for cash only. To all has come to bear the same reputation business houses and responsible resthorough knowledge of his work has 30 days only, will be extended. 59-4t enabled him to become one of the best, if not the very best county clerk Gratiot county has ever had. He has had far more work than falls to the lot of most Gratiot county clerks. Because of the new judicature act he CHANGING SEASONS BRING was given the job of going back through the court files of the past fifteen years and digging out the uncompleted cases, and putting them on the calendar of the court. Ninety cases were found, and these had to be entered three times on the calendar. This is some slight undertaking in it. nation of antiseptic balsams soothes the irritated membrane, clears the

NEWELL BRADFORD For Sheriff

Sheriff Newell Bradford is another of the Republicans seeking re-election at the hands of the voters of Gratiot county. He has not made arrests on flimsy grounds, where it was concluded that convictions could not be made. By aiding the prosecutor in obtaining pleas of guilty, he has also worked toward saving money for the tax payers. In some quarters it has been said that liquor violators were not punished, but during his term nearly two hundred proests were made for violation of the local option and other liquor laws. Several liquor dives were cleaned out. Sheriff Bradford has continually been on the job, and has taken care of the office in good shape

BIRD J. TUCKER For Register of Deeds

Capable and effcient to a degree past criticism, there can be no logical reason why Bird Tucker should not again be elected as register of deeds. Careful bookkeeping, new systems in the office, etc., have worked to keep down expenses in the office during his term. He is especially adapted to this work, and as the county needs a good man in this office it can do no better than to cast a huge vote for

ERVA R. LAYCOCK For Drain Commissioner

The work in connection with all these is enough to keep two commissioners busy, but Mr. Laycock has handled the work by keeping going all the time. He has proven efficient and capable and is thoroughly! acserving of another term at the hands of Gratiot's voters.

> J. D. SPINNEY and J. M. EVERDEN For Circuit Court Commissioners Both John D. Spinney and John M. Everden have proven their ability as circuit court commissioners. Each is a capable attorney. Neither man has coveted the office, but because they have been good men in this office before, the office has again sought them out. They have remlered much valuable aid as circuit court commissioner: and re-election means that they will render more.

DR. B. C. HALL and W. K. LUDWIG For Coroners

Both of these men have held the most fitting proof of their ability. They have presided at many an injudgement. Without question they will be re-elected to office in Novem-
